Need a gift in a jiffy? Or to curry favor in a hurry? Put together your own green swag bag with help from [Give a Green Bag](#).

Choose from categories like "Green Home," "Green Baby," "Wellness," and "Green Office & School" for starters, then plunk down your cash for a pre-assembled selection of eco-friendly goodies or customize your bag with additional items from a menu of options.

The \$30 [Green Thumb](#) gift bag, for instance, includes a pair of hemp garden gloves, a bar of organic gardener's soap, a bag of [seed balls](#), some Shea butter lotion, and a tree-free journal—all tucked in a hemp carryall.

Give a Green Bag, which was recently spotted at [BagTrends' Green Arm Candy Party](#) last month, also deals in custom gift bags for your upcoming shindig or corporate retreat. Simply drop the company a note to discuss details. After all, there's no time like the present.
