They're not old enough for *Mr. & Mrs. Smith*, so what's family movie night like at Brad Pitt and Angelina Jolie's house?

How about the 1984 classic *Karate Kid*?

Just the other night, Pitt attended a packed-house industry screening and Q&A for *Inglourious Basterds* at the DGA building in West Hollywood. After *Karate* director John G. Avildsen asked a question, Mr. Pitt took a moment to announce to everyone, "We just watched *Karate Kid* with the kids."

And Pitt's not the only celeb we've spotted out and about this week. Keep reading for scoop on Chris Pine and new ladylove Olivia Munn, Sandra Bullock and Kim Kardashian...

BEAM HER UP: *Star Trek* stud Chris Pine, introducing new girlfriend, G4 host Olivia Munn, to the cast and crew of *Unstoppable*, an upcoming flick he's filming in West Virginia.

GIFT ME: Kris Allen and Paula Abdul, grabbing pairs of Rock Revival's denim jeans

at American Music Awards Luxury Lounge in L.A., where Snoop Dogg and his wife, Shante, took home matching Vivitar 850W video cameras.

AFTERPARTY: Jay-Z and Fergie, dining at Katsuya restaurant after the AMAs in downtown L.A., where they were later joined by Kobe Bryant and Lamar Odom.

EQUALITY ROCKS: E!'s own Giuliana Rancic, hosting Revenge Is' All Love Is Equal T-shirt launch benefiting the repeal of Prop 8 at Kitson in WeHo.
