Revenge Is... Sweet

POSTED BY VERA ON FEBRUARY - 15 - 2010

Check out the latest toddler-kid's size collection from the eco-brand **REVENGE IS**, the Think Green and Unity shirts. It is never too early to learn [about taking](#) action to save the environment.

Made of RPET (recycled [plastic bottles](#)) and [organic cotton](#) and printed with non-toxic, water based inks, these eco tees are super soft, plus deliver an important and timely message. Both shirts highlight a commitment to educating younger generations about the little things they can do to affect big change when it comes to saving the planet.

Shirts come in size 2T - Kid's 14 and available at www.revengeis.com for \$21.
